ABOUT BITS PILANI HYDERABAD CAMPUS

The Hyderabad Campus of Birla Institute of Science and Technology, Pilani is one of the leading institutions in India for engineering and applied sciences. Since its inception in 2008, the campus has become the hub for the brightest minds of the country to come together and hone their skills in a myriad of academic, sport, technical and cultural activities. In an institution abound with talent and drive, the various clubs and departments contribute to the holistic development of its students and offer means to hone their skills.

ABOUT VERBA MAXIMUS

Verba Maximus is BITS Pilani, Hyderabad Campus' annual literary fest organized by the ambitious assembly of students from the English Language Activities Society (ELAS). Verba Maximus has risen in stature as a hallmark literary fest since its inaugural edition in 2012. Latin for “The Words of the Greatest” , VM brings a myriad of events, tourneys and games to the table - pitting the brightest of literary minds against each other. VM also presents engrossing performances from the best artists across the country and promises troves of fun. This January, we return with the twelfth edition of this literary bonanza and welcome you to enter our realm and witness the spectacle unfold.

ABOUT ELAS

The English Language Activities Society is one of the most active cultural clubs on the campus. Uniting its members through various activities that drive home the beauty of the English language. Amidst game nights, debates and other events, our ever-expanding pool of talented writers, elocution exponents and debaters have been recognized for their talent and hard-work nationwide.
